

### **Customer Communication Intern**

**The Opportunity-** We are looking for a customer communications intern to assist with a number of exciting projects. Specifically the intern will be responsible for expanding our network of professionals via recruitment and interviews, creating a pricing sheet for household services, developing a communications plan, and more. You will work closely with the founders to identify additional projects and areas of growth.

### **Why this is a great opportunity!**

This internship is a terrific opportunity for a highly motivated and independent person to grow themselves and play a central role in the development of the company.

- Work closely and learn from the founders who have extensive experience at large international corporations
- Be able to actively shape your own role and be entrusted with large amounts of creative freedom to achieve tasks
- Flexible work schedule: we care more about people that get the work done than 9-5 working hours
- Highly collaborative work environment, filled with brainstorming, idea sharing, jokes, pranks, and good food
- Opportunity for full time employment for high performing interns

### **Compensation**

This is a paid internship. Pay will be “commission” based meaning compensation will be directly commensurate with the intern’s completion of the core tasks
